Ms Nathalie MONIN
1st Secretary EuDDC

Dear Ms Monin, the EuDDC 1st Secretary, dear members of EuDDC,

the cancellation of European Dog Show 2020 in Slovenia also called into question the EuDDC exhibition. After contacts with the National Institute of Public Health, it is clear that a permit with the required conditions for a possible event (indoors or outdoors) can be obtained a few days before the event, given the epidemiological situation in Slovenia and Europe at the time.

Given the uncertain, unpredictable and, last but not least, dangerous situation for both organizers and participants, the Executive Committee of the Great Dane Club, after careful consideration, made a difficult but reasonable decision to cancel this year's EuDDC show in Slovenia.

We very much regret the cancellation of the EuDDC show in Slovenia, but a situation has arisen beyond our control.

Be careful and stay healthy,

Igor Rac
President of the Slovenian Great Dane Club
